

How to Buy e-Books on the GBC Bookstore Website

Before you get started...

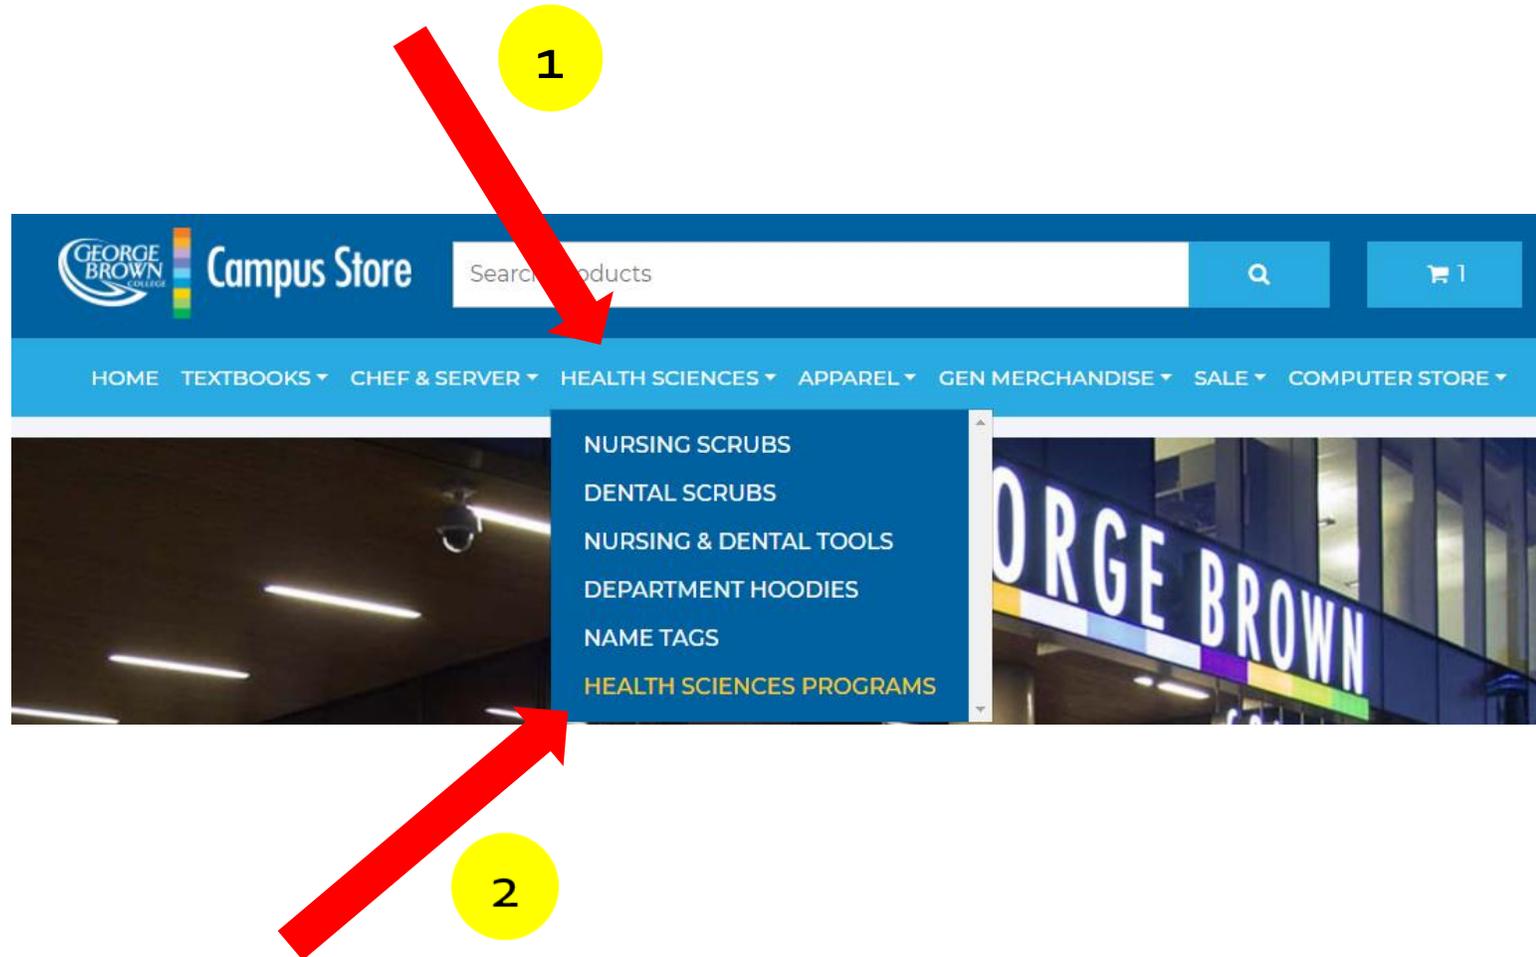

- All the required materials for your courses are available through the GBC Campus Bookstore.
- Some materials are available as e-texts, while others might only be available in hardcopy. Sometimes required materials for a course are bundled together as one purchase to give you a better price than if you purchased each individually.
- Hardcopy materials and anything else you need – scrubs, sweatshirts, name tags, etc. – can be ordered for delivery to your home (shipping is \$10) or you can order it to pick up at the St. James Campus Bookstore (free).
- **IMPORTANT:** The Waterfront Campus Bookstore is **CLOSED!** You need to select **ST. JAMES CAMPUS** when searching for courses on the website or when ordering items for store pick-up.
